**RE: SOUTHERN UNAFFILIATED FIRST NATIONS (SUFN) MEETING**

The Ontario First Nations Technical Services Corporation (OFNTSC) is pleased to announce a Southern Unaffiliated First Nations (SUFN) Meeting to be held at the Casino Rama Hotel on March 4, 2009. Please find attached a draft agenda that outlines the day's events and presentations that will be delivered by each OFNTSC programs.

Each year the intent of the SUFN meeting is to provide the First Nations a unique opportunity to network with other colleagues, to share concerns & knowledge and to discuss current technical issues that face their communities. Therefore, in order to provide our delegates with the most comprehensive and useful information we are suggesting that each First Nation select the most suitable candidate that best represents your technical issues and concerns.

Please note that OFNTSC will reimburse the expense for accommodation and incidentals for (2) delegates and will cover the travel expense for (1) delegate from each First Nation participant. Registered delegate will have their accommodations billed directly to our master account and any other expense must be accompanied by the attached travel expense claim form.

If you have any questions please do not hesitate to contact either Elmer Lickers at (416) 651-1443, ext. 223 or Kristen Hill at (416) 651-1443, ext. 222.
