FIRST NATIONS WATER SYMPOSIUM

A DRINKING WATER QUALITY EDUCATION AND AWARENESS EVENT

This Symposium is your best source for strategies, new technology developments and dynamic discussion of the future of water management for the First Nation communities. Delegates will hear the latest information and participate in in-depth discussions on:

- ◆ Techniques for Delivering Safe Drinking Water
- ◆ Draft Protocol for Wastewater
- ◆ Water Quality in First Nations
- ◆ Boil Water Advisory & Removal
- ◆ Circuit Rider Training Program
- ◆ Resource/Capacity Development
- ◆ Impending Legislation and much, much more...

We Cordially Invite:

- ◆ Chiefs and Councillors
- ◆ Band Administrator/Manager
- ◆ Third Party Managers
- ◆ Director of Public Works
- ◆ Directors of Health
- ◆ Community Health Representative
- ◆ Water Plant Operators
- ◆ Technical Directors

Key Reasons to Attend:

- ◆ The Symposium will bring together the latest information on drinking water issues.
- ◆ The Symposium will provide attendees with an opportunity to learn and receive updates on current issues related to water quality.
- ◆ The Symposium will include keynote speakers and presentations on current water issues.
- ◆ The Symposium will provide a unique opportunity for First Nation Leaders, Public Health Managers, and Staff concerned with drinking water quality to meet, network and discuss current issues.

REGISTER TODAY!
SPACE IS LIMITED
