This workshop is designed to help First Nations understand PSAB 3150 new financial reporting requirements on Tangible Capital Assets (TCA). The workshop will provide hands-on training to show:

- How to use the TCA reference manual to implement PSAB 3150;
- How to know what capital assets need to be inventoried;
- How to use the spreadsheet to inventory capital assets and calculate amortization values;
- How to create a capitalization threshold and implement TCA policy;
- How to manage TCA to create positive impacts on future budgets.

For more information on the workshop please contact:
