

Give your First Nation a boost and old electronics the boot!

Ontario Electronic Stewardship (OES) is inviting your Community to partner with us, raise money and protect our environment. OES is the Provincial Program that oversees the responsible re-use and recycling of waste electronics in the province of Ontario.

Curve Lake Pow Wow, Ontario

How can your Community work with OES?

With our support, there are two options for collecting electronics:

1. Provide a **permanent collection site** for residents in a central location.
2. Host a special electronic collection **event day** in your community

Is there a financial incentive to participate?

Yes. OES approved collection sites and events receive a weight-based financial incentive.

- A permanent collection site receives **\$150/tonne**.
- Collection events receive **\$185/tonne**.

Which materials are included in the program?

Our program accepts **44 items**, such as: Display Devices: Monitors & Televisions, Desktop & Portable Computers, Computer Peripherals, Printing, Copying & Multifunction Devices, Telephone & Telephone Answering Machines, Cellular Devices & Pagers, Home Theatre in a Box (Equalizers, Amplifiers, Speakers, Tuners & Turntables), Audio & Video Devices Home/ Portable and Non-Portable. For a full list of acceptable items, visit www.recycleyourelectronics.ca.

It's Simple!

Contact our customer service team at 1-888-646-1820 ext 1 or by email to customerservice@ontarioelectronicstewardship.ca for registration details. Once approved, we'll provide you with promotional materials posters, flyers and Co-branded logo guidelines. OES will work with you to determine what your needs are, and provide you with information and material to help your electronic waste collection be a success!
